The instruction is **for beginners**. [**Free Intermediate & Advanced Classes** are also available—call for info.] Students need to bring their own guitar; electric (and practice amp) or acoustic guitar can be used for the class. However, we have a couple of beginner guitars to loan to students who don't have their own.

Real Guitar Lessons—Not just a couple of quick chords! This is a performance class—The class involves performing; So practice is required. Basic fingering and chords will be taught. The goal is to get you started toward being able to play lead and rhythm guitar so you can play with others and play in a band, not just a little piece of a cool song or two.

Starts Wed. Jan.7th!

Why is the class “Free?” The instructor and class are provided as a community service by Alpine Anglican Church which meets 8:30am Sundays at Alpine Elementary School. They are committed to supporting youth activities in Alpine. The instructor has taught and performed for more than 20 years. "I tend more toward hard rock and heavy blues, but we practice a wide variety of styles. Some students I've taught have gone on to play semi-professionally, but most play for their own enjoyment."
